DECEMBER 2011 NEWSLETTER UPDATE

A HUGE THANK YOU & FAREWELL TO THE VALLEY WAY COMMUNITY after spending almost six & half years working with the students, parents & teachers it is time to move on to another school. I am so proud of the growth I've seen in student character & academic ability plus the commitment from staff to help students achieve. Parent & community support has been tremendous & Valley Way would not be the community school that it is without this type of dedication. Thank you for all you do. Although I will miss Valley Way, I am confident that the great things that are happening will continue it is in each & every one of you to direct your own learning & I have witnessed the positive changes you make every day. Best of luck to all of you. Thanks for a great ride!

Ms. Vetrecin

M & M MEATS recently sent us a cheque for \$48.00. This represents 10% of all the purchases made by supporters of Valley Way School on the November 22nd School Shopping day. Thanks to all families who made purchases on that day. Your support is appreciated.

STRANGER DANGER just a reminder that all students in grades 1 through 8 had a presentation today from a Niagara Regional Police Officer about staying safe when in public places & using the internet. Parents & guardians are encouraged to ask their children about the safety tips they learned & how they can use them. Review & reinforcement from home & school will help to keep our students safe!

PARENTS/VISITORS ... are welcome in the school. However, in the interest of safety & security for our students, ALL visitors/parents need to check in at the office for things such as library walks, meetings with teachers & school trips. DSBN signs are posted at entrances as reminders to all of us. Your co-operation will help maintain a secure environment for our students, and preserve the required instructional time for learning.

Thank you for your tremendous co-operation with this during this month!

INTERMEDIATE BASKETBALL ... thank you to Mr. Clancy, Mrs. Scudamore & Miss Wilson for coaching our girls' & boys' intermediate basketball teams. Both teams will be competing against area schools during January & February.

**WISHING ALL OUR VALLEY WAY FAMILIES A SAFE AND JOYOUS HOLIDAY SEASON!
CLASSES RESUME ON MONDAY JANUARY 9TH 2012!**
