APRIL 2011

FUND RAISING EVENTS Families are invited to eat at the McDonalds Restaurant on Thorold Stone Road on Tuesday April 12th. A percentage of the proceeds will come back to the school to support grade eight grad. Then, on Saturday May 14th, our grade 7 and 8 students will be having their annual car wash in the school parking lot.

DSBN Road Race Reminder The annual DSBN Road Race is Sunday, April 17th. Enjoy a fun family event while supporting "The Education Foundation of Niagara" and "Niagara Nutrition Partners". More information is available at the school office.

SMUDGE FUNDAES On Thursday April 28th the Smudge Fundaes will be here to do presentations geared towards respect, acceptance and anti-bullying. Our students in ELP to grade 2 will enjoy one show & then grades 3 to 5 will have a slightly different performance.

NEW COMPUTER LAB & LIBRARY **Valley Way is looking good!**

We are so excited about the recent renovation that included fresh paint, new flooring (tile & carpet), new computer tables & workspaces, plus new shelves. Also, thanks to the terrific job folks did with our chocolate bar fund raiser, we were able to purchase an additional seven computers for the lab. This will allow many more students to work independently without having to share or use a mini laptop ☺☺☺

EASTER WEEK-END Please note on the monthly calendar that Friday April 22 (Good Friday) & Monday April 25th (Easter Monday) are both holidays so there is no school for staff or students.

HEALTH BUS (free & no health card is needed) is available in Niagara Falls on Mondays from April 1 to October 21. It is located at Project Share (4129 Stanley Ave) from 9 to 11:30 in the morning & then 2 to 4 in the afternoon. Contact Elaine Pihach for more info (905 357 5121)
