MAY 2011

CAR WASH... Saturday May 14th 9am to 1pm (proceeds go towards Grade 8 Graduation)

EQAO Testing ... During the week of May 30th, our grade 3 and 6 classes will be involved in writing the provincial EQAO test. Parents of these students are reminded to please make sure your child is at school each day, and on time as it is difficult, but necessary, for them to catch-up on missed tests. Your support will help make the process easier for your child.

VOLUNTEER APPRECIATION LUNCHEON Wednesday May 25th

If you have helped throughout the year with things such as School Council, snack bins, trips, sports, bake sales or any of the other projects made possible through volunteers, please contact the office to let us know if you will be able to attend!

SPRING ATTIRE ... As we move into warmer weather, parents and students are reminded to review the Dress Code in the student organizers. Specifically, "footwear must be worn and no midriffs are to be bare". Sleeveless tops are permitted but spaghetti straps should be avoided unless covered-up with another top. Shorts should be respectable in length. If everyone follows these guidelines then we will all be dressed properly for a "work environment". Thank you for your co-operation in this regard.

TECHNOLOGY OPEN HOUSE & BBQ ... families are invited to visit the school between 4:30 & 6:30 pm on Thursday May 26th to have a free hot dog, check out the new library & learn about Smart boards, mini laptops, IPADs, Clickers & computer programs that students are using (see attached notice for more info).
